## DRAW AN EYE

Draw an eye in any style anywhere on your paper. Anime, animal, reptile, cartoon or realistic are all great options! Use my guided tutorial for detailed step by step instructions if you're feeling lost. .

## DIVIDE YOUR BACKGROUND

Use a variety of lines to divide your background into sections. Use or ruler- or not!

## MAKE A "SELF-PORTRAIT LIST"

Think about these questions:

What is your full name?

Your favorite foods?

Your favorite activities?

What are some of your goals and dreams?

What people, places and things are most important to you?

## DRAW YOUR SELF-PORTRAIT SYMBOLS

Use drawings, patterns and words to show who YOU are!
